

# Project Introduction: Using AI Responsibly

In this project, you will learn about Artificial Intelligence (AI) and how to use it safely and smartly.

Your goal is to create a short PPT and share your ideas with the class.

在这个项目中，你们将学习什么是**人工智能 (AI)**，以及如何安全、聪明地使用它。  
你们的**目标**是制作一个短幻灯片，并向全班分享你们的想法。

## What You Need to Do

- 1. The Slideshow: Create a PowerPoint presentation with exactly 5 slides.
- 2. The Presentation: Speak in front of the class for 2 minutes to explain your slides.

- 1. **幻灯片制作 (The Slideshow):** 制作一个正好包含 **5张幻灯片** 的 PowerPoint (PPT) 演示文稿。
- 2. **课堂演讲 (The Presentation):** 在全班同学面前进行 **2分钟** 的演讲，向大家解释你们的幻灯片。

## Important Rules

- Keep it simple: Do not write too many words on your slides. Use short sentences and bullet points.
  - Use pictures: Add clear photos or icons to help the class understand your ideas.
  - Practice speaking: Speak slowly and clearly. Do not just read your slides. Look at your classmates!
- 
- 保持简单 幻灯片上不要写太多字。使用短句子和项目符号（bullet points）。
  - 使用图片： 添加清晰的照片或图标，帮助观众更好地理解你们的想法。
  - 练习演讲： 说话要慢而清晰。不要只是读幻灯片上的字——要看着你们的同学！
